

Ecwamix

Chemical Systems

Your Specialist Partner in Sustainable Chemical Solutions

Ecwamix expanded its Contract Manufacturing facilities in 2016. Now in **2017** we have further expanded into powder blending facilities to accommodate various dry mix demands.

We complete the full process from *formulation guidance* through to sourcing of unique raw materials. With a *personalised* approach we partner to maintain a affordability with dedicated quality.

- 1) Various Speciality Chemical Raw Materials/Blends,
- 2) Various Speciality Chemical Intermediates/Blends,
- 3) Various Tailored Specialised Finished Products/Blends for Specific Industries
- 4) Quality and Efficient Contact Blending/Repacking Facility

CONTRACT MANUFACTURING

“Today we pride ourselves in being one of only a handful of companies in South Africa with the Technical and Manufacturing/Blending Capabilities to Advise, Produce and Provide”

Expertise

- **Resources**
- **Quality Control**

Sustainable Solutions

Our Ultimate Goal is to provide our Customers with Quality and Cost Effective Solutions to many of the Complications experienced by the South African Industrial Chemical Formulator/Manufacturer.
